### 2. ISSUE MANDATE

In order to ensure flexibility and give discretion to the Directors in the event that it becomes desirable for the Company to issue any new Shares (including any sale or transfer of treasury Shares), approval is to be sought from the Shareholders, pursuant to the Listing Rules, for the Issue Mandate to issue Shares (including any sale or transfer of treasury Shares). At the Annual General Meeting, an ordinary resolution no. 6 will be proposed to grant the Issue Mandate to the Directors to exercise the powers of the Company to allot, issue and deal with the additional Shares (including any sale or transfer of treasury Shares) not exceeding 20% of the number of issued Shares (excluding any treasury Shares) as at the date of passing of the resolution in relation to the Issue Mandate.

As at the Latest Practicable Date, the issued Shares comprised 844,394,922 Shares of nominal value of US\$0.000025 each, including 9,126,000 treasury Shares. Subject to the passing of the ordinary resolution no. 6 and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the Annual General Meeting, the Company will be allowed to issue (or transfer out of the treasury) a maximum of 167,053,784 Shares under the Issue Mandate.

In addition, subject to a separate approval of the ordinary resolution no. 8, the number of Shares repurchased by the Company under ordinary resolution no. 7 will also be added to extend the 20% limit of the Issue Mandate as mentioned in the ordinary resolution no. 6 provided that such extended amount shall not exceed 10% of the aggregate number of Shares in issue (excluding any treasury Shares) as at the date of passing the resolutions in relation to the Issue Mandate and the Repurchase Mandate. The Directors wish to state that they have no immediate plans to issue any new Shares (including any sale or transfer of treasury Shares) pursuant to the Issue Mandate.

The Issue Mandate, if approved, will continue to be in force from the passing of the said resolution until whichever of the following first occurs: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association or to be held; and (iii) the revocation or variation of the authority given under such ordinary resolution by an ordinary resolution of the Shareholders in general meeting.

### 3. REPURCHASE MANDATE

In addition, an ordinary resolution will be proposed at the Annual General Meeting to approve the granting of the Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares representing up to 10% of the number of issued Shares (excluding any treasury Shares) as at the date of passing of the resolution in relation to the Repurchase Mandate.

*The following is an explanatory statement required by the Stock Exchange to be sent to the Shareholders under the Listing Rules in connection with the proposed Repurchase Mandate.*

## **1. LISTING RULES**

The Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

- (i) the shares to be repurchased by a company must be fully paid-up;
- (ii) the company has previously sent to its shareholders an explanatory statement complying with the Listing Rules; and
- (iii) all on market repurchase of shares by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a specific approval in relation to specific transactions or by a general mandate to the directors of the company to make such repurchase.

## **2. SHARE CAPITAL**

As at the Latest Practicable Date, the issued Shares comprised 844,394,922 Shares of nominal value of US\$0.000025 each, including 9,126,000 treasury Shares. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 83,526,892 Shares, which represent 10% of the issued Shares (excluding any treasury Shares), during the period ending on the earlier of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; and (iii) the revocation or variation of the authority given under the resolution by an ordinary resolution of the Shareholders in general meeting.

## **3. REASONS AND FUNDING OF REPURCHASES**

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

Repurchases of Shares will be financed out of funds legally available for the purpose in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands. The Companies Act provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the Companies Act. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Company's Shares are repurchased in the manner provided for in the Companies Act.

The Directors would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders as a whole. The Directors consider that if the Repurchase Mandate was to be exercised in full, it may not have a material adverse impact on the working capital or the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2024, being the date to which the latest published audited consolidated financial statements of the Company were made up.

The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

#### **4. TAKEOVERS CODE**

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

Save as aforesaid, to the best knowledge of the Company, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Repurchase Mandate.

The Directors do not propose to exercise the Share Repurchase Mandate to such an extent as would, in the circumstances, give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code or result in the aggregate number of Shares held by the public shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

**5. TREASURY SHARES**

The Company may cancel such repurchased Shares or hold them as treasury Shares, subject to market conditions and the Group's capital management needs at the relevant time of the repurchases.

For any treasury Shares deposited with CCASS pending resale on the Stock Exchange, the Company shall (i) procure its broker not to give any instructions to HKSCC to vote at general meetings of the Company for the treasury Shares deposited with CCASS; and (ii) in the case of dividends or distributions, withdraw the treasury Shares from CCASS, and either re-register them in its own name as treasury Shares or cancel them, in each case before the record date for the dividends or distributions, or take any other measures to ensure that it will not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as treasury Shares.

**6. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS**

None of the Directors nor, to the best of their knowledge having made reasonable enquiries, any of their close associates (as defined in the Listing Rules) has any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company.

No core connected person of the Company has notified the Company that he/she/it has any present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

**7. UNDERTAKING OF THE DIRECTORS**

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases pursuant to the proposed Repurchase Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and in accordance with the Articles of Association.

**8. SHARE REPURCHASE MADE BY THE COMPANY**
